Modern Performance, Traditional Styling

The Regency Sash Collection brings together the charm of classic sash windows with the benefits of modern technology, making it easy to find the perfect fit for your home. Every detail has been carefully designed to replicate traditional timber, from run thru horns to authentic jointing, while offering the low maintenance and durability of PVCu.

With a wide choice of finishes, colours, and hardware options, you can create a look that

blends seamlessly with your property, whether it's a contemporary home, a period cottage, or a listed building.

Beyond appearance, our Vertical Sliders are built to perform. A-Rated energy efficiency, advanced weather seals, and head vents fitted at the top as standard, plus optional PAS24 security upgrades mean you don't have to compromise on comfort or safety. The result is a window that not only looks the part but delivers lasting performance.

Table of Contents

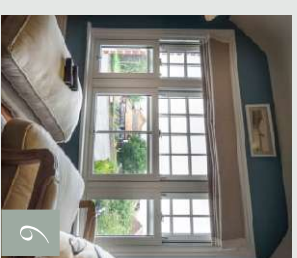

4

Choice of Joints

Choose from Standard, Timberline, or Smoothline joints - each offering a unique balance of authenticity, durability, and refined finish.

Georgian Bars

Add Georgian bars for timeless elegance. Available in classic or duplex styles to create authentic, period-inspired sash detailing.

Slim Meeting Style

Optional slim meeting style to promote a more authentic heritage look, making it perfect for conservation areas.

Run Thru Horns

Enhance authenticity with run thru horns, replicating traditional timber sash detailing and adding classic character to any property style.

Deep Bottom Rail

Further enhance the visual appeal of your windows with a deep bottom rail, synonymous with traditional timber windows.

Harnessing Light & Air

Our Regency Sash Collection Vertical Sliders are designed to maximise natural light and ventilation while maintaining timeless sash styling. Smooth operation and pre-tension spiral balances make opening and closing effortless. With slim sightlines and optional Georgian bars, these windows are as practical as they are beautiful.
